

Grant Writer Intern

Global Family

Location Falkirk, Scotland
Duration 6 months – 1 year

Organization

Global Family Care Network was established with the belief that long-term alternative care for at-risk and abandoned children is best practiced within the structure of a family. Global Family operates community-based prevention programs, short-term residential rehabilitation shelters, and aftercare programs for victims of human trafficking and systematic abuse. The center for Child Protection and Evidence-Based Anti-Human Trafficking Practice in Scotland is looking for interns to contribute to Global Family's work around the world. Learn more about Global Family at www.globalfamilyuk.co.uk.

Description

Global Family is looking for an individual to work with the Head of Programs to write and submit grant proposals. This person will have had research and/or grant writing experience. The grant writer will be able to assess Global Family fundraising needs and identify potential grant funding opportunities.

Responsibilities

- Develop and implement a strategy for writing grant proposals and applying for available grant funding opportunities.
- Develop and report on key performance indicators.
- Identify available grants that provide funding to projects that match Global Family programs in the United Kingdom, United States, Canada, India, Nepal, Myanmar, Thailand, the Maldives, and El Salvador.
- Write and send grant proposals to applicable grant offers.
- Maintain a record of existing grants provided and a timeline for grant reporting.
- Develop and send existing grant updates to current funders.

Compensation

Interns are provided with room and board as well as an online fundraising account through Direct Good they can use.
